- FDA EUA-AUTHORIZED HOME TEST (OTC): Celltrion DiaTrust COVID-19 Ag Home Test is an FDA EUA-authorized COVID-19 rapid antigen at-home testing kit. Test in the comfort of your own home, and get the knowledge you need, fast. Self-collected and adult-collected direct mid-turbinate swab samples. For use in individuals aged 14 years and older.
- RAPID RESULTS AND PERCENTAGE: The test gives you results in just 15 minutes and is authorized for at-home use without submitting sample collection to labs. Our home test is capable of detecting COVID-19 with 99.8% Negative Percent Agreement 86.7% and Positive Percent Agreement.
- TWO TESTS PER KIT: Each kit contains supplies for two tests: swabs, test devices, test tubes (extraction buffer), filter caps, and an Instructions for Use manual. Test yourself and a family member at the same time, or take two tests in a designated timeframe for travel, work, and more. Our products prioritize user comfort, utilizing flocks swabs with a softer tip that doesn't irritate your nasal passages.
- HANDY MOBILE APP: Celltrion SafeKey, our official companion app, walks through each step with easy-to-follow directions.
- **MULTIPLE TARGETS:** The Celltrion DiaTrust COVID-19 Ag Home Test is a FDA EUA-authorized COVID-19 antigen home test which detects multiple targets. Multiple target tests are more likely to continue to perform as labeled as new variants of the virus emerge.
